# THE BEST TAPAS IN MÁLAGA

Malaga has so much to offer you. With more than 320 days of sunshine every year, the city has become a benchmark for tourism in Spain thanks to its 14 kilometres of beaches. But it's not only about the climate. Malaga is home to five of the most visited museums in the country.

Cervezas Victoria is inviting you to enjoy the "Malaga Tapas Route". To celebrate the 100th anniversary of Malaga-Costa del Sol Airport, this year we are presenting 100 years eating around the world, a gastronomic route representing the traveller spirit of all the locals. 29 creations inspired from places around the world will take you on a trip around the historic centre of our city.

From the 10th to the 20th of October, experience the most exotic flavours accompanied by a 200ml bottle of our exquisite beer from Malaga.
